

MAT Student Council Meeting 3 Looe – Web Design

Summary of recommendations

Recommendation	Agreed?	Update
3.1 Student leadership should be included with the other types of MAT leadership under a main menu called 'SMART Learders'	Yes by Core Group	Included in site. Due to go live at the end of March
3.2 Student leaders should form the web team when the web is live to advise	Yes by CEO	Site not yet live but team is ready Mia (Looe), Jasmin(Saltash), Milly (Trewidland), Evie(Landulph) and Sam (Liskeard)
3.3 There should be a contact email set up and a 'contact us' page on the site	Yes	Studentleaders@smart-trust.net set up and web form is on the website.
3.4 There should be a Poll function available	Yes	Space has been set up but how to make it function is being worked on
3.5 There should be an FAQ page	Yes	Space has been allocated on the website
3.6 Competitions should appear on the page with prizes available like the APP store	Yes	Email account set up to allow these entries to be sent in. Space available on the site for student work
3.7 Black line across the top of the site should be a coloured rainbow	No	Advice from the design team was that such a mix of colours would not be effective.
3.8 There should be videos and sound to make the site more exciting	Yes	The site is ready. The first videos we aim to add are drone flights over each school
3.9 There should be a main menu item called 'Schools' and in here all the schools should be listed. Their logo should drift in and if you click anywhere on the name or the logo you should link to that school	Yes	Page is designed in this way
3.10 There should be lots of photos and those that slide show or transition	Yes	Images on the home page transition
