

Dear Candidate

On behalf of the governors of Landulph School I wish to thank you for your expression of interest regarding the appointment to the post of Headteacher.

To assist with your application I would like to draw your attention to the school website www.landulphschool.co.uk on which you will find the latest OFSTED report as well as information about our curriculum, our wide programme of after school activities and our PTA and Local Governing Committee.

The school has earned an excellent reputation in the local community which has led to continuing growth in numbers in recent years and this has been supported by; a very active PTA which has held numerous fundraising events, recently funding the acquisition and erection of a gazebo; a very supportive and committed Local Governing Committee who have introduced 'Governor Days' in which they spend a day each term immersed in the life of the school; a highly experienced Trust Board and a proactive Multi Academy Trust Senior Leadership team who regularly share expertise and empathy as well as encouraging collaboration between the teachers and support staff of all the other schools in the MAT.

Expectations and standards are high and as a result, children along with very supportive parents, respond to this happy and thriving environment in which there is an expectation that everyone should get involved in the life of the school. This ethos results in Landulph school, despite its relatively small size, achieving a high profile in the local area and success in sporting events as diverse as building boats to race on the barbican in Plymouth and cross country.

The successful candidate will join a team of four committed and outstanding teachers, five TAs and a full time school secretary supported by a well-established after school club and lunchtime team. The team within the school is further supported by a wider MAT team including a professional finance manager, PR and legal expertise, grounds maintenance and site compliance team and IT technical team.

We know our school is a very special community of which we are very proud. We would welcome the opportunity for you to meet pupils and staff for a tour and discussion so you can see for yourself. Should you wish to do so please contact our school secretary, Elaine at secretary@landulph.cornwall.sch.uk to make the necessary arrangements.

Once again, thank you for your expression of interest and we wish you the best of luck should you wish to apply for the post.

Kevin George (Chair of Governors)
