Policy Statement

Home-School Agreements are a statutory requirement under the [School Standards and Framework Act 1998](#) (Sections 110 and 111).

To encourage, support and maintain the unique vision, values and ethos of each of our schools, the Trust Board delegates the responsibility to each Local Governing Committee for developing and publishing its Home-School Agreement. The LGC will also determine the frequency for its review.

To find out more, or to seek clarification, please contact the school.
