

## MAT Student Council Meeting 2 Saltash and Landulph – General

### Summary of recommendations

#### Part 1 – How the MAT student council should work

Recommendation	Agreed?	Update
2.1 Student councillors should be decided by democratic election from every year group and elections should take place in May each year.	Yes– still to check with sch	These processes are in place
2.2 New year groups (7,12 and reception) should hold elections in the first half term.	Yes – still to check with sch	Written into the guide
2.3 The oldest year group reps should be the Head Students and should chair the meetings.	Yes– still to check with sch	Written into the guide
2.4 Student council posts last from May through to the following August. The previous post holder mentors the new person from when they are elected.	Yes– still to check with sch	Written into the guide
2.5 At the start of the year there will be a timetable of all student council meetings across the MAT published on the website together with this baseline model.	Yes– still to check with sch	Written into the guide
2.6 The student council can vote to co-opt members up to a maximum of 1 for every 2 elected student councillors. These co-opted members have full voting rights. Some referred to them as ‘The Civil Service’ meaning they would have longstanding expertise but their term of office will be a year before they can be re- co-opted	Yes– still to check with sch	Written into the guide
2.7 The student council will ‘mirror’ the Trust Board of the MAT and will have a student rep for finance, for H&S etc. These can be voted or co-opted members. These posts should be called “Student Council Advisor (SCA) for ... Finance”. The SCA finance for example would be aware of any student leadership schemes for finance and might run them. All of the SCAs for finance will elect their SCA finance director	Yes – agreed at Core and TB	How to do this is a discussion for March meeting
2.8 The Student MAT board should come together once each half term	Yes	Timetable produced

#### Part 2 – Recommendations for the new MAT website
