November 2021

Dear Candidate

This is an exciting time to be joining the Leadership team at Saltash Community School. Not only is the school going from strength to strength, with our post-pandemic Build Back Better strategy, but I am restructuring and expanding the leadership team, moving from a model with two Deputies and two Assistant Heads to a model with one Deputy and four Assistant Heads. This reorganisation means that there is a real opportunity for you to join the team no matter what your area of expertise.

Please do take the time to research the school before you apply: have a look on our website and read our Ofsted report. Only apply if you actually want to work *here*. I will be looking for evidence in your letter of application that you have researched the school, what we stand for and the challenges we face. We are a large, inclusive school and you must be committed to supporting and celebrating diversity if you want to join our community.

Our Core values are Tenacity, Empathy, Aspiration and Motivation. You need to be committed to these values and be ready to live them and nurture them in others if you are to join the Leadership TEAM here at Saltash Community School. Saltash Community School is part of SMART. Our Trust vision is to build SMART learners, SMART leaders and SMART communities. Please do look on our Trust website to see if your values align with those of our Trust. Lifelong learning is at the heart of what we stand for, so you must be committed to developing yourself and others if you wish to join our TEAM.

If this is the opportunity you are looking for then I very much look forward to reading your application. Please do contact our Operations Manager, Ian Foy (ifoy@saltashcloud.net) if you would like to visit the school prior to submitting your application, or email me with any queries you may have (klittledyke@saltashcloud.net). Interviews will take place on the afternoon of 6th December and all day on 7th December 2021. Although I would like to appoint someone for an Easter start, I am prepared to wait until September if necessary for the right candidate.

Thank you so much for your interest in this post and in my school.

Yours faithfully

Ms K Littledyke
